

**Dr. Shannon Hader's Campaign for U.S. Congress would love it if you joined us for some door knocking and phone banking!**

Shannon is a fifth-generation Washingtonian and medical doctor running as a Democrat for the seat that Dave Reichert is vacating. Since entering the race, Shannon has received the endorsement of every local Democratic organization in the district.

Shannon grew up in Auburn and was the first in her family to earn a four-year degree. She chose a life of service, becoming a doctor and serving around the world combating infectious diseases. Most recently, Shannon led a team of 2,000 people across 45 countries as the Director of Global HIV & TB at the Centers for Disease Control and Prevention. Having served under four White House administrations and with a proven history of working across the aisle to make a difference in people's lives, Shannon is uniquely qualified to represent the 8th district.
