Who We Are

The 25th Legislative District Democrats represent Democrats living in Puyallup, South Hill, Edgewood, Milton, Midland, Summit, and parts of Fife. We meet on the first Thursday of the month, at the Puyallup Public Library. (Detail info is available at our web site www.25democrats.org.)

We are community members who care strongly about the 25th District and who want the best for our district. We advocate Democratic principles and work to elect Democrat candidates in our district.

The 25th Legislative Democrats provide opportunities to become involved, stand up and be heard by your legislators, locally, and nationally. We are a pro-active group who believe in opportunity for ALL.
