**DECEMBER 25 LDOC  
MEETING MINUTES**

Unfortunately due to snow and bad road conditions there was no meeting in December 2005. So make your plans to attend the big meeting in January. With the big crowd anticipated there will probably be limited seating so come early, socialize and get a good seat.

You are invited to submit your meetings/events to be included in the Upcoming Events.

**JOHN KOSCHE**  
*By Joan Cronk*

Our new chairman of PCO's, John Kosche, retired from AT & T and is now a real estate salesman. He hasn't been involved with the 25<sup>th</sup> District for long, and so we really have to give the guy a hand for taking on that position. "I just opened my mouth," he said. "I have coffee with Ray Green a couple of times a week and one day I said I would like to get involved..." The rest, as they say, is history! He said our Madam President Audrey wants him to sort of run the show with the present precinct captains and fill the positions that are as yet unfilled.

Kosche and his wife live in the area of Canyon and 72<sup>nd</sup> Street. His two grown daughters are Puyallup High School graduates, he himself a 1962 graduate of Stadium High in Tacoma (go Tigers). In his spare time he works on two cars from the 60's that he still has holed up in his garage.

Let's welcome John Kosche and give him our thanks for taking on the position, and our support. 2006 has got to be better for the Democrats!

**Greetings All:**

It's been a pleasure to be apart of this club and take a more active role over the past year. The 25th Leg. Dist. Democrats are a really friendly group of people, and I have enjoyed all of your help and dedication over the year! On December 1st, I turned 17 -- I am pretty sure I am still one of the youngest members, but what is exciting is that a year from now I will be eligible to vote! The new generation is here, and I thank each and every one of you for giving me a chance to be involved! I hope you all have a very safe and happy holiday season full of cheer and delight! See you in 2006 -- which is sure to be a very busy year for the Democrats! Lauren Adler

**CINDY POYSNICK**

Cindy was endorsed by the 25<sup>th</sup> District for Puyallup School Board, Position No. 4, and put up one heck of a fight in a campaign to oust current board member, Greg Heath. The election was so close that there was an automatic recount held on November 30<sup>th</sup>, however, Heath held his lead. Good job, Cindy, for bringing to the voter's attention so many important issues!!

**"WE MUST PICK OUR BATTLES"**  
*By Jon Bristol*

No, No, No!

Thank goodness our founding fathers didn't feel that way. Or for that matter, any revolutionary, either before our time or currently. What may have happened if Rosa Parks had given up her seat? Where would we be without Dr. Martin Luther King? I am sure "Bull" Halsey led our fleet to meet a superior Japanese fleet thinking he was going to lose, so why not just run. Instead, he fought the greatest naval battle ever and WON. How very much sweeter a victory is when you enter a confrontation as the underdog and somehow come out on top. Just watch any sporting event where the favorite goes down.

I believe a person must stand up for their principles, and that there is no such thing as a little principle or one you can give up on. A principle is a principle and if you have one, go to the mat defending it.

Of course listen to what others have to say; there is a difference between being hidebound and remaining true to yourself and your values. But if, after you consider the alternatives, you still feel that same way:

**STAND UP FOR YOUR PRINCIPLES!**
