It was moved, seconded and carried (without objection) to adopt the agenda as published.

Chair Adler gave a few opening remarks, then turned the gavel over to Endorsements Committee Chair Charley Stokes, who would be running the Endorsements Forum.

Stokes gave a brief explanation of the endorsement procedure, introduced the committee, and gave an overview of what would be happening at the meeting tonight. It was also explained why some candidates were not on the ballot being used to cast their endorsement vote(s) at tonight's meeting. Stokes then followed up with an overview of what would be happening at the next meeting in August, where we will do a second round of endorsements.

Stokes asked for a motion to revise the paid-dues date of membership of our endorsements procedure, that only members that had paid dues by June 30<sup>th</sup>, 2008 would be able to vote for the endorsements tonight. Carolyn Merrival made the motion and it was seconded. Discussion followed.

Jim Ruble moved to table due to the fact that changing the cut off date for dues paying in such short order was unfair to the membership. Stokes asked the body if there was any member who did not find a pre-printed ballot available at the door when they signed in and there were none. Stokes suggested that this indicated that there was no impact to the members for the date change. Cliff Allo gave a brief description on how the process had been impacted by the change in the primary date to Aug 19 and that how if the endorsements were not voted on tonight there would be little or no opportunity for the approved candidates to publicize their endorsement (if approved) by the 25<sup>th</sup>. Ruble withdrew his motion to table but voiced his continuing concern about any proposed action that might exclude less than the full body.

The question was called and the body voted. The motion carried with one Nay and two Abstentions.

A call was made for volunteers to act as the Tally Committee and Michelle Donaldson and Ken Blair were appointed; Joan Cronk was appointed time-keeper. Each speaker was allotted five minutes to speak and do Q&A with a two minute transition between speakers.

Stokes then introduced the first candidate to address the membership as follows:
